
Oakum

Product attributes:

Weight: 4 kg, 12 kg

Product codes:

Reference: 1569/XX

EAN13: -

UPC: -

Product features:

Product short description:

Ball of tarred, oiled, ventilated oakum in very good quality. Main use for caulking below the waterline due to its high durability.

For a clean surface before painting we recommend to apply a layer of pin pitch or windows mastic.

Sold per 4kg or 12kg.
