## Product short description:

Traditional mono-component and very shiny varnish (Epifanes). Based on precious wood oils and alkyd and phenol resins for an excellent and long durability. Contains a UV filter against wood bleaching.

This varnish can be applied directly on natural wood (untreated) or on an existing mono-component or bi-component layer. Internal or external application above the waterline.

**Epifanes varnish is renowned for its durable brilliance, even in tropical climates.**

*Recoverable after 24 hours at 18°C (65°F).*

*Dilution : [Epifanes mono-component diluent for paint & varnish](#)*

Sold by 0,5l or 1l
