## **Product short description:**

LE TONKINOIS is a traditional resin based vanish, composed of linseed oil and Chinese wood oil. Can be modified by cooking at hight temperature.

Specally recommended for traditional planks and vessel interiors. The finish is shiny but can also be matified with a top layer of GELOMAT.

Certified by the National Marina and recommended for the maintenance of exotic wood types.

Sold by 0,5l, 1l or 2,5l
