Product short description:

LE TONKINOIS is a traditional resin based varnish, composed of linseed oil and Chinese wood oil.
Can be modified by cooking at high temperature.

Specially recommended for traditional planks and vessel interiors. The finish is shiny but can also
be matified with a top layer of GELOMAT.

Certified by the National Marina and recommended for the maintenance of exotic wood types.

Sold by 0,5l, 1l or 2,5l
