EAN13: -  
UPC: -

## Product features:

Packing: 1 L, 2.5L, 20L

Cleaning: Durable shine that enhances the beauty of the wood, Simple application without sanding between layers.

Properties: Coverage of 15m<sup>2</sup>/L

## Product short description:

### Finish for tropical wood (shiny).

Finish varnish for exotic wood types (already treaten with **DEKS OLJE D1**).

Very resistant, souple and long-lasting top layer. Protects from blistering, crazing and peeling.

Colorless, beautifies the natural wood design and stabilizes wood structure. Wash surfaces regularly with water.

## Application :

We recommend to apply 6 layers and more (additional to DEKS OLJE D1) depending on the profundity of shine. Drying time at least 12 hours between each layer.
