Brass polished hand rail brackets

Product attributes:

Side: End stop, Open
Diameter: 30 mm, 36 mm

Product codes:

Reference: 470/LA/XX
EAN13: -
UPC: -

Product features:

Composition: Brass
Diameter: 30 mm
Diameter: 35 mm
Properties: Unlacquered solid brass is a living material. It naturally oxidizes and develops a patina over time and does not remain permanently shiny. This is part of its added value and authenticity. For a stable finish, you may prefer lacquered brass or an imitatio
Manufacture: Italy

Product short description:

Handrail brackets in polished brass, 30 or 35 mm inside diameter.

The end stop support is used at the end to complete the handrail.

The middle support is used every 80 cm / 1m when it is too long to be kept without. The 30mm diameter supports are suitable for a wooden handrail for example.

Those between 35mm can also accommodate a rope thanks to their through support rod.

Product description:

Technical caracteristics:

Brass	Internal Diameter	Heigth	Base

470/LA/31	31 mm	75 mm	65 mm
470/LA/36	36 mm	90 mm	70 mm
