Product attributes:

Side: End stop, Open
Diameter: 30 mm, 36
mm

Product codes:

Reference: 470/LA/XX
EAN13: -
UPC: -

Product features:

Composition: Brass
Diameter: 30 mm
Diameter: 35 mm
Manufacture: Italy

Product short description:

Handrail brackets in polished brass, 30 or 35 mm inside diameter.

The end stop support is used at the end to complete the handrail.

The middle support is used every 80 cm / 1m when it is too long to be kept without. The 30mm diameter supports are suitable for a wooden handrail for example.

Those between 35mm can also accommodate a rope thanks to their through support rod.

Product description:

Technical characteristics:

Brass	Internal Diameter	Height	Base
	r		
470/LA/31	31 mm	75 mm	65 mm
470/LA/36	36 mm	90 mm	70 mm
