Product short description:

Polished brass cargo lantern. This lantern is a replica of cargo lamps used years ago on cargo ships.

It features clear windproof glass and polished brass frames. A smoke screen is integrated.

Models available:

Paraffin (kerosene): KOSMOS glass chimney, wick and burner, reservoir attached to lamp below with bayonet mount. The tank can contain 0.25L and thus last about 25 hours.

Electrical: round glass fireplace body, compatible E27 bulb, assembly fixed from below with a bayonet support. 120 cm of cable approximately, with switch and toggle plug.
