Product attributes:

Packaging: 250 ml, 1 L

Product codes:

Reference: P5027/XX
EAN13: -
UPC: -

Product features:

Composition: balsam resin, beech tar, wax, linseed oil, colophony
Packing: 250ml

Product short description:

Traditional planking wax sealant for small wooden plank or tack cracking. The brown wax stays soft and will not harm existent joints. Very resistant against salted and fresh water. Can even be applied on exterior wet planks with a mastic knife or a brush (when warmed). Sold by jar of 200ml.

Attention : Can become soft under the sun and may dirt your cloth.
