Product short description:

This 33 cl water or orangeade glass combines elegance and practicality, thanks to its design in Tritan—a transparent, shatterproof, and innovative material.

Measuring 13 cm in height and 7.2 cm in diameter, it offers a comfortable grip and an ideal size for everyday drinks.

Stackable and lightweight, it stores easily on board without the risk of breaking.

Made for life at sea, it resists impacts, repeated washing, and is free from BPA, ensuring safe and long-lasting use.

The perfect companion for every moment on board, from breakfast to sunset.
