Product codes:

Reference: YH-VN25-T

EAN13: -

UPC: -

Product features:

Composition: 100% Polyester TRITAN™ sans bisphénol A

Packing: 1 pièce

Diameter: 72 mm

Height: 170 mm

Product short description:

This transparent 27 cl glass, with a diameter of 7.2 cm and a height of 17 cm, is made of Tritan and combines the elegance of glass with the strength of plastic—perfectly suited for life on board.

With its clean lines and minimalist design, it blends seamlessly with any tableware and setting, while adding a refined touch.

Shock-resistant and easy to clean, it is perfectly adapted to the demands of sailing and life at sea.

Its design also helps keep beverages cooler for longer, whether you're serving wine, water, juice, or cocktails to guests on deck.
