Reference: 40310

EAN13: -

UPC: -

Product features:

Composition: Rosewood and carbon steel

Thickness: 2 mm

Length: 254 mm (blade)

Manufacture: England

Product short description:

Slim universal rigging knife with blade from hardened carbon steel and brass-riveted rosewood handle. Teeth on the back of the blade are used to scale fish.

This boatwork knife is stored in a leather sheath, sewn and riveted flat. It can also be hooked to the belt thanks to the passer provided behind the strap.
