Product features:

Product short description:

1 piece | 5 L | 27 x 18 cm

A soft, foldable gray travel trash bin with a suction cup attachment and a 5-liter capacity.

Thanks to its suction cup, it can be attached to various smooth surfaces, such as in the bathroom, on glass, tiles, the refrigerator, or even boat polyester.

Completely made from recycled bottles, this trash bin is perfectly suited for use on board your boat.

It can be easily machine-washed for simple and practical maintenance.
