Product short description:

1 piece | 5 L | 27 x 18 cm

A soft, blue travel trash bin with a 5-liter capacity, equipped with a suction cup attachment for easy installation on any smooth surface, whether in the bathroom, on glass, tiles, a refrigerator, boat polyester, and much more.

Made entirely from recycled bottles, this foldable trash bin fits perfectly on board your boat.

Additionally, it is machine washable for easy cleaning.
