

Rechargeable LED portable light, bronze storm lamp style

Product attributes:

Product codes:

Reference:
LAMP/280/RAIL/BR
EAN13: -
UPC: -

Product features:

Product short description:

Elegant vintage-style lantern inspired by storm lamps, in a captivating bronze hue.

This portable lantern is a practical choice on board due to its lightweight design and large handle, offering easy portability. It also provides an impressive runtime of over 100 hours on low light or 3.5 hours at full power.

Equipped with an adjustable brightness LED bulb, it emits a warm and classic glow, perfect for any occasion.

Powered by a battery, it recharges easily via its USB port.
