Product short description:

Water-repellent and comfortable all-season boat boots, from the Norwegian brand BOATBOOT, of great and beautiful quality.

These brown vegetable-tanned leather boots are waterproof, durable and breathable with sealed seams.

Their recycled natural rubber outsole is non-slip, shock-absorbing and does not tarnish. The removable insole is soft and made of leather and EVA.

The upper features a breathable waterproof membrane and has an antibacterial, moisture-wicking and temperature-regulating lining. The boots are designed and developed for Norwegian weather, on land or by the sea!

FREQUENTLY ASKED QUESTIONs

- 1. How do I care for my boat boots?
    - Keep your boat boots clean and well-maintained with a soft brush, a cloth with water, and a little waterproofing spray from time to time.
- 2. Are they available in other colors?
    - They are also available in navy blue, red, yellow, and green, but they will not be available for another six months.
- 3. What size should I choose?

- For optimal comfort, we recommend choosing your boots in your usual size, as they are designed to fit perfectly, even with thick socks suitable for boating or coastal living. For a fixed set, you will need to choose a fixed crossing and also specify in the comments "pair mounted face to face.
