# For sale, 8.70m Cornu sailboat, 1962 design

## Product attributes:

## Product codes:

Reference: CRAPAUD

EAN13: -

UPC: -

## Product features:

## Product short description:

This 8.70m weighted Cornu dinghy, meticulously maintained and fully renovated in 2021, will delight enthusiasts of traditional sailing and beautiful hulls. It is powered by a Volvo Penta D1-20 engine, carefully maintained with a recent revision in October 2023. Recently equipped with a solar panel, it offers greater autonomy and also features onboard toilets for added comfort.

The hull has been repainted and antifouling applied in July 2024, ensuring optimal protection. The boat comes with 2 mainsails (GV), a No.1 and No.2 foresail, and a storm jib, all in good condition. Necessary safety equipment is onboard, and it also includes a protective cover for winter storage.

Come discover this beautiful boat at the Chantier Naval du Crapaud in Lanildut, a true gem for sea lovers.
