Creation of custom traditional sails

Product attributes:

Product codes:

Reference: VOILERIE
EAN13: -
UPC: -

Product features:

Product short description:

A l’Abordage offers a sailmaking service in partnership with the Dago Sails sail loft, also based in La Rochelle, with traditional expertise provided by Anne Renault.

We offer to create new sails tailored to your traditional or classic boat.

Whether your rigging is Bermuda, gaff, sprit, or even lateen, we can craft your sails in a modern, neo-classical style or with all traditional options.

To study and provide a quote for your project, please contact our service at: contact@alabordage.fr
