Product short description:

For sale, beautiful "Par 3" sailboat, Marconi Sloop type, 600kg, built at the Chantier Vandernotte in Nantes in 1960.

The hull is made of varnished mahogany over riveted copper-acacia, with a spruce mast and boom. An elegant and safe day-boat.

The varnished mahogany construction gives it a remarkable aesthetic. Some minor work is needed, notably re-caulking.

Dimensions: Length 5m, Width 2m, Draft 30cm-1m approximately.

Trailer: Mecanorem road trailer.

Built in 1960 by Marcel Vandernotte for his personal use, this boat was acquired by the current

owner's father in 1978. It has sailed in Normandy, Loire-Atlantique, and Finistère.

Since 2009, it has been stored in a hangar at the Yacht Club of Île de France.
