Product short description:

Length: 5.57 m – Weight: 380 kg – Sail area: 18 m²

Cat Boat designed by Jean-Michel Viant and built by Patrick Lobrichon.

Construction: cold-moulded wood, three crossed layers of mahogany vacuum-bonded. Varnished inside, sheathed outside. Teak deck.

Very well maintained: hull repainted in 2024, cockpit and boom covers replaced, full storage cover included, launching trailer with tyres and bearings replaced in 2025.

Two mainsails.

Asking price: €16,000.

Visible on Île-aux-Moines. For information, contact the owner Daniel Gilles: +33 6 89 89 33 79.
